

AZ REIP Rebate Request Application

Please complete form in its entirety to be considered for Navopache Electric's *AZ Renewable Energy Incentive Program*. If funds are not available at the time your request form is received, you will be placed on a wait list until there are sufficient monies to fund the request. The wait list is based on a first come first serve basis.

When funds become available, you, the member, will be notified to complete an enrollment packet and provide required system documentation. Incentive level granted will be determined by the *Arizona Corporation Commission* approved incentive level in affect at the time the funding becomes available. Enrollment packet must be completed within 30 calendar days from the notification date that funding becomes available. Upon approval of application, you, the member, will be notified of application acceptance and will have 120 calendar days to have the renewable energy system operational and pass NEC final inspection.
