Introduction

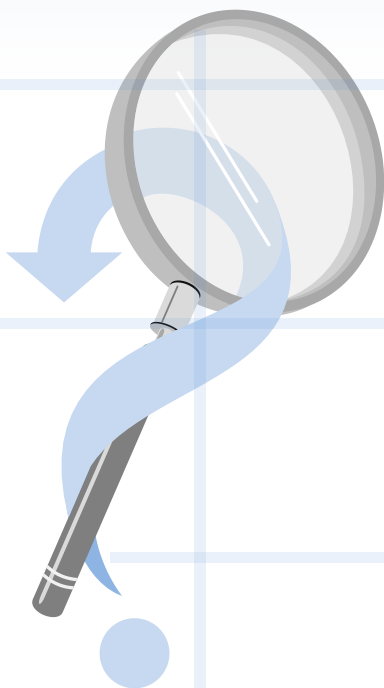

The Co-op Connections Card offers co-op members product and service discounts at participating retail businesses. In turn, participating businesses benefit from increased customer traffic, and from promotions in co-op communications and advertising materials.

Members can link to a national Web site with a roster of participating businesses, including local institutions as well as national corporations, such as rental car companies and hotels. Visit <http://connections.coop.com> to explore many more savings benefits for our cooperative members.
